

The background is a watercolor illustration. At the top, there's a logo with the letters 'nb' in white inside an orange square, followed by '1YR' in orange. Below this, a large, bright, circular light source, resembling a sun or moon, is partially obscured by orange and yellow watercolor washes. In the center, a silhouette of a person stands with arms slightly out, facing the light. Below this figure, a row of silhouettes represents a crowd of people. The bottom of the image transitions into a dark blue and green watercolor wash.
